

Introducing.....

Your Gladstone Village RENT-FLEX plan

What is RENT-FLEX?

The end of the month is a little tight for all of us when it comes to paying the bills, so we are now offering you a way to pay your rent every two weeks or every payday whichever you prefer. Even better, you can have it deposited automatically every two weeks into a local bank for your convenience.

Examples:

<u>One Bedroom</u>	<u>Two Bedroom</u>	<u>Three Bedrooms</u>
\$225 Bi-weekly	\$275 Bi-weekly	\$325 Bi-weekly
\$425 Per Month	\$525 Per Month	\$625 Per Month

Added bonus:

Should you choose the RENT-FLEX plan you would be guaranteed that your rent will be fixed at the current level and under no circumstances would your rent be increased for the next two years.
